

Blowing Rock Parks and Recreation Summer Day Camp Cancellation:

The Town of Blowing Rock has made the difficult decision to cancel Summer Day Camp for this year. The decision was not easy for our department as Summer Day Camp is one of our most treasured programs. We had constant communication and collaboration with numerous state and local agencies through our decision-making process. Ultimately, the best decision was to protect the health and safety of our participants, residents and their families, and staff.

Full refunds will be given to each person who has already paid. If you have not received a refund by June 26th, 2020 please contact us immediately.

We are working to provide some online activities for the campers that will be interactive throughout the summer. Please check your emails and our Facebook page for more details.

Please feel free to contact us at 828-295-5222 for any additional information or questions.
